

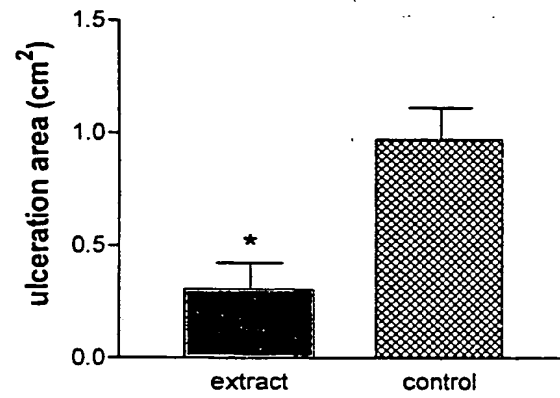

Figure 1**EFFECT OF SKIN EXTRACT
ON THERMAL BURNS**

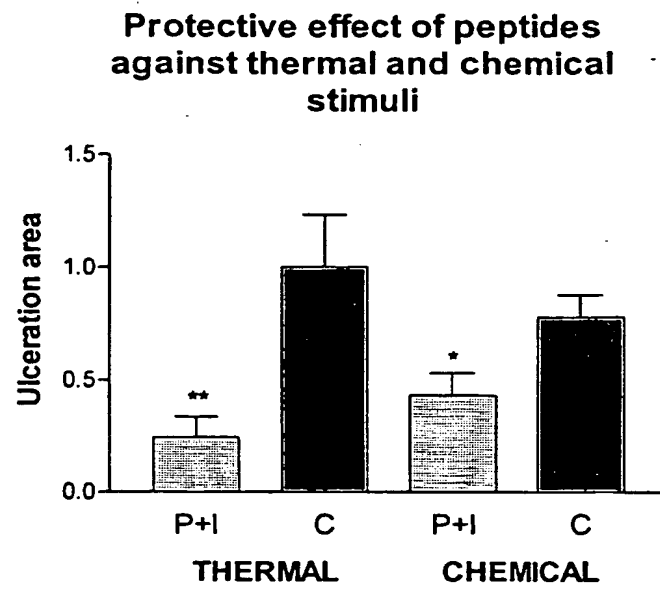

Figure 2

Figure 3

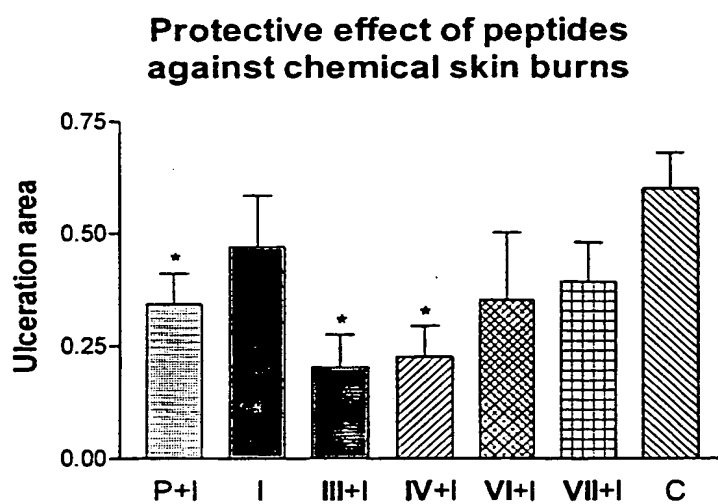

Figure 4

**Protective effect of peptides
against thermal skin burns**

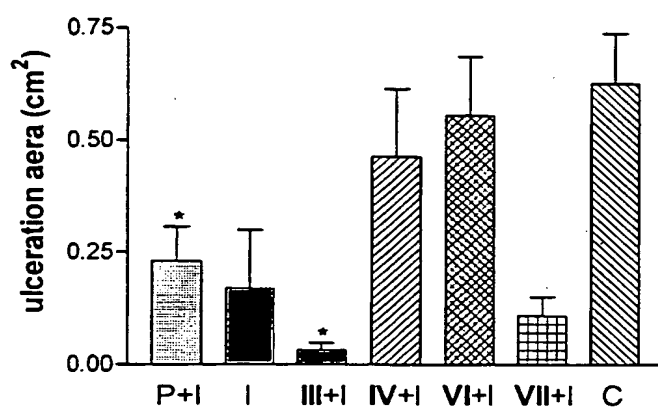

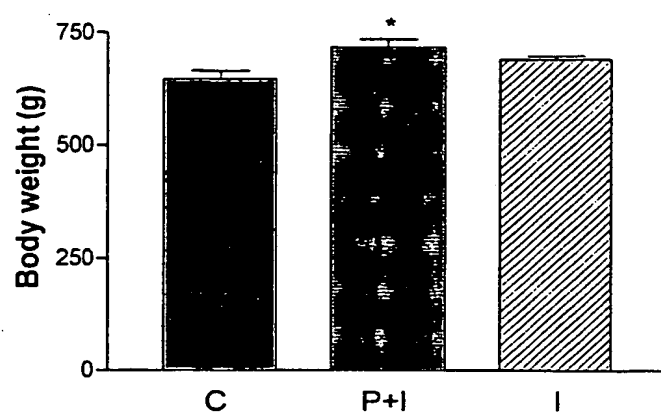

Figure 5**Effect of peptides and
proteinase inhibitors on body
weight**

Figure 6

**Effect of N-methylated analogs
of peptide III on mustard
gas-induced skin burns**

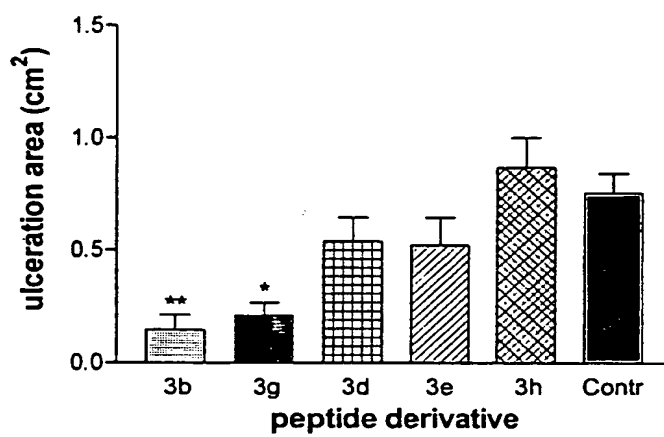

Figure 7

**Protective effect of peptides III,
3b and IV against SM in the
mouse ear swelling model**

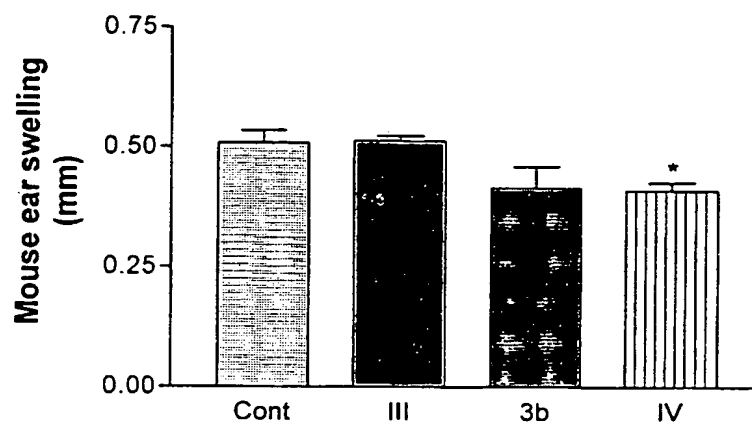

Figure 8

**Protective effect of anti mouse
IL1 β antibodies, anti mouse
TNF α antibodies, peptides 3m,
3m1 and IV against SM in the
mouse ear swelling model**
